

AUGUST 2023 PRE-SEMESTER SCHEDULE

The purpose of this schedule is to allow units in Academic Affairs, in particular, to plan meetings for faculty, but also to allow other units across campus to know what the major events are the two weeks before the semester begins. We anticipate that a similar schedule will be in place in subsequent years for the two weeks prior to the start of undergraduate classes. **Full-semester Graduate classes start Saturday, August 19, 2023.
