

Longwood community,

Unfortunately, the weather has not agreed with our plan to have several outdoor Convocation ceremonies tomorrow, so the ceremonies are canceled. I invite you to virtually join [a livestream of a small ceremony](#) tomorrow, Thursday, Sept. 10 at 3:30 p.m. with President Reveley, Provost Smith, and the senior class officers to mark this milestone event--the traditional start of students' senior years.

You may also see a few students in caps and gowns headed to a registration-only, socially distanced photo opportunity in Lankford Hall. Please be sure to congratulate them on their accomplishment and help them feel the excitement that is typical at Convocation.

Please contact the Office of Disability Resources at disabilityresources@longwood.edu prior to the start of the live stream if you need a transcript of this event.

Thanks, and congratulations to the Class of 2021!

Matt
