Dear colleagues,

Thank you to those who participated in the QEP feedback sessions. We had several lively discussions with faculty, staff, and students. We want to provide everyone with the opportunity to offer their feedback and insights as we narrow the possible implementation strategies aligned with the QEP outcomes.

Preparing for Post-Graduate Success QEP Goal

The goal of the QEP is for students to choose and complete curricular and co-curricular experiences that are linked to their post-graduate plans. Accomplishing this goal requires building sustainable partnerships among faculty and staff.

Student Success Outcome

Longwood's QEP will help to improve retention of first-time full-time historically under-represented students particularly Pell-Eligible, men, and/or African American/Black students.

Student Learning Outcomes

Students will:

- set post-graduate goals consistent with a holistic sense of self and community,
- integrate curricular and co-curricular experiences into a plan that supports post-graduate goals, and
- articulate the connection between curricular and co-curricular experiences and their post-graduate plans.

Please go to https://businesslongwood.az1.qualtrics.com/jfe/form/SV_4ZPiI9gbPNUO1Se and complete the survey by end of day on Friday, November 18th.

Take care,
QEP Writing and Development Team
