Dear colleagues,

The QEP Topic Recommendation Team has reviewed and discussed institutional and national data and campus feedback on the initial list of QEP topics. Institutional data indicate that student retention rates are not as strong as in 2016, and that in terms of retention and graduation rates, our African American/Black and Hispanic/Latinx students are not as consistently successful as their White counterparts.

Therefore, we have narrowed the list to six topics with an emphasis on student retention.

You can review the topics and summaries [here](#). If you need general information about a QEP, please visit our [QEP website](#).

We need your input to help us decide on the final list to send to the Reaffirmation Leadership Team for their review. This Team selects our next QEP topic. You can participate in two ways – attend a feedback session and/or complete an on-line survey.

On-line survey @ https://businesslongwood.az1.qualtrics.com/jfe/form/SV_7WfeWCjKa7bpoSq .
The survey will remain open until February 7 @ 5pm.
