

DIGITAL EDUCATION COLLABORATIVE

NEW QUIZZES

The DEC is offering New Quizzes trainings conducted via Zoom, Monday, December 2nd at 1:00pm and Tuesday, December 3rd at 3:00pm. [Click here](#) to sign up!

All faculty are encouraged to take the New Quizzes Essentials on demand training course, offered by Instructure. The course explores New Quizzes including the creation process, moderation and grading options, item bank management, as well as how to import and migrate existing quiz content. To locate this training, log into Canvas, navigate to the Canvas Global Navigation menu, click the Help link. Next, click the Training Services Portal link. Then, authorize access and you will be taken to the Courses and Webinars tab where you will find the New Quizzes Essentials courses.

For more New Quizzes news and tutorials visit our [New Quizzes page](#) on Solomon.

SPRING 2025 LOTI

[Spring 2025 LOTI Registration is Now OPEN](#) and will run February 3, 2025 - March 28, 2025. The Longwood Online Technology Institute (LOTI) is a faculty development training that provides faculty with the skills and technical support necessary to develop quality hybrid or online courses. LOTI is for faculty members who:

- are new to the University OR
- have never had online/hybrid training OR
- have never had online/hybrid training and have been asked to teach an existing online/hybrid course OR
- have had previous LOTI training but wish to become online teaching certified through the Longwood training

The deadline to apply is January 27, 2025.

PANOPTO SATISFACTION

We invite you to participate in a brief survey regarding your satisfaction with Panopto. Your feedback is crucial as we evaluate potential future pilots and other software options. Please take a moment to share your thoughts, as your insights will help us make informed decisions that enhance our teaching and learning environment. To access the survey, [click here](#).

24/7 CANVAS SUPPORT & HOLIDAY HELP

24 hour/365 days a year Canvas technical support is offered to the entire Longwood community via Instructure. Staffed by in-house Canvas experts, they offer service-level agreements to provide quick resolutions to questions and problems. Upon chatting or calling Canvas, you can expect a wait time of about 2 minutes or less. If it is determined that your issue requires local DEC support resources, Canvas Tier1 Support will forward a request to the DEC support personnel. Longwood University faculty, students and staff have 3 ways to contact support. To access support, log into Canvas and click the Help icon in the Global Navigation menu.

NAMECOACH

Canvas users still have access to and are encouraged to use Namecoach. Namecoach enables users to provide their preferred name pronunciation and gender pronouns within Canvas for instructors and classmates alike to view and hear. For further information and guidance, click [here](#).
