

Portable Staging/Seated Riser Guardrail

- Fits the following Wenger Portable Staging/Seated Riser Systems: Versalite®, Stagehand® and Trouper®.
- Guardrails comply with many building code requirements for loading.
- Guardrails are recommended for elevations over 12" (30 cm).
- Available with either two crossbars or an infill panel that complies with the 4" (10 cm) sphere requirements of some building codes.
- Guardrails are 42" (107 cm) high and include a chair stop.
- The second crossbar on the standard rail is located 26" (66 cm) above the stage deck.
- The guardrail has a black powder-coat paint finish and the chair stop has a dark grey powder-coat paint finish.
- Attaches to the staging with a simple clamping device.
- Storage truck available to store and transport the guardrail.
- Environmental attributes and LEED compliance for this product can be found at www.wengercorp.com/GREEN or by contacting your Wenger representative.
- Five-year warranty.
