VII. **Discussion**

- a. It was suggested that a statement about including F grades on syllabi be added to the FPPM.
- b. Support for course specific outcomes/objectives was shared. Having outcomes separate from the Core required outcomes would provide something distinct about a course to allow for consistency and could be helpful if a course gets pulled from Core so that an instructor doesn't have to go back and create all new outcomes. A prospectus was sent to SACS – SACS views the Core is a program therefore, Core program objectives cannot be the same as course specific objectives. A question was posed as to how we enforce this? Discussion was then tabled until the next meeting.
- c. Discuss how to change the withdrawal and mid-term estimate dates - tabled
