**AFFECTED DEPARTMENTS OR PROGRAMS**

Run an Impact Report by clicking  in the top left corner and answer below according to the results.

If the proposed program changes could have an impact on other departments or programs, the appropriate affected chairs or program directors should be notified of the proposed changes. Where teaching licensure may be affected, the licensure officer should also be notified.

To notify the appropriate department chairs, request a custom route, navigate to the Proposal Toolbox and select Custom Route under the Decisions icon (  ). Once you make your decision the system will allow you to set up the requested ad-hoc step for each section: participants, rules, decisions, and deadlines/reminders.

A System Administrator will need to review and approve your request before it takes place.

☐ Fee Recommendation Worksheet

All curriculum proposals/changes are processed in the date order received. In order to be included in the next academic year’s catalog, all paperwork must be submitted no later than:

- February 1 to the College Curriculum Committee
- March 1 to the Educational Policy Committee (EPC)

Changes that affect spring advising for fall classes must have received approval from EPC and Senate before the registrar opens up the fall schedule for registration in March. Such proposals should reach the chair of EPC by the end of the fall semester. Submission within the deadlines does not guarantee processing in time for the next academic year’s catalog.
