

EPC Senate Report March 12, 2020

Action Items

1. [CSDS M. S.](#) – Removal of CSDS 526 from the program; CSDS 525 covers the required material in sufficient detail to meet the new regulations. The program is reduced by one credit to 53-55
2. [Therapeutic Recreation](#) – PSYC 330 becoming PSYC 230 (and becoming a Core course) reduces the total number of credits required by 3 credits from 124 to 121.
3. [Transfer Credits for Military Training](#) – Revising our policy so that transfer credit from military training will be determined by Chairs using a guide produced by the American Council on Education. No more than 30 credits will be accepted.
