Date of previous submission_____

I. Outline of the proposed major, minor, or concentration.

The proposed new concentration in "Pre-athletic training" is intended for entering students who intend to seek the BS degree in Athletic Training. Currently, students must apply for formal admission to the Athletic Training education program during the spring semester of the first year. Criteria for admission to the curriculum phase of the program are indicated in the University catalog, curriculum handbook and on the program web page.

In order to more accurately reflect the number of students in the CAATE accredited curriculum, the Pre-athletic training concentration will be used for students upon admission to Longwood University prior to applying for admission to the curriculum phase of the program.

II. New courses which will be proposed as part of this program. Be sure to submit a separate proposal for each course using the appropriate forms). *Attach extra sheets. None*

II. Rationale for the program:

The use of the Pre-athletic training concentration prior to admission to the curriculum will enable the program administration and University assessment office to generate and provide accurate program data.

IV. Resource Assessment

- A. Estimate additional staff requirements for this program. None
- B. Estimate the amount and cost of equipment, library resources, computer hardware and software, and other resources that will be required to carry out this program. None

V. Anticipated enrollment in program after five (5) years.

VI. Affected Departments or Programs.

If the proposed program changes could have an impact on other departments or programs, the appropriate affected chairs or program directors should be notified of the proposed changes. Where teaching licensure may be affected, the licensure officer should also be notified.
