## Policy Change

A. Policy Changes to Teaching Licensure. *amended move first sentence as follows, passed one opposed*

- Physical and Health Education: HLTH 201, HLTH 205, KINS 201, and KINS 205
- Have an Overall GPA of 2.5 or higher Longwood University requires that the cohort average GPA of students being admitted to Teacher Prep in any given semester be at least 3.0 (overall). Individual applicants with an overall GPA of at least 3.0 will be immediately eligible for admission to Teacher Prep and will have their applications to the program processed after the October 1<sup>st</sup> or March 1<sup>st</sup> deadline in advance of the following advising and registration period. Prospective teacher candidates who have an Overall GPA ranging from 2.5 to 2.99 will be put on a waitlist by the OPS and admitted in descending GPA order such that the cohort average GPA remains at 3.0 for that semester. The OPS will admit as many other students as mathematically possible while maintaining the cohort's average GPA at the 3.0 required by the Council for the Accreditation of Educator Preparation (CAEP). These calculations will not be completed for these waitlisted students
