General Education Goal(s) for which course is designed: Goal 9

Does the proposed change affect how the course will satisfy the nine (9) required General Education Course Criteria (page 11)?

Yes No If yes, please explain :

Please attach a proposed syllabus in Longwood format that contains proposed changes.

II. Required for Major, Minor, Concentration (please specify):

HIST 210 is a General Education Goal 9 Elective; HIST 210 is a Non-Western History Elective for the History Major as well as the Public History and Pre-Law Concentrations; HIST 210 is a Teacher Preparation in History and Social Science Major Requirement.

III. Rationale for Proposed Changes:

Deleting HIST 210: World History and replacing it with HIST 120 World History to 1500 and HIST 130 World History: 1500 to the Present is beneficial because:

- A two semester survey, split at the year 1500, will allow greater depth of coverage and is in line with best practices in the field.
- The greater depth of coverage will better prepare Teacher Preparation majors, who are required by the History and Social Science Standards of Learning for Virginia Public Schools to have content mastery of World History and Geography to 1500, and World History and Geography 1500 to Present.
- Over the past decade the History Department has increased the number of faculty with expertise in World History. Starting in Fall 2014 there will be three faculty members who specialize in World History. The splitting of World History into two semesters will better enable the deployment of the expertise and skills of these faculty members.
