

## 2019-20 through 2025-26 Student Affairs Formal Program Review Schedule

As a means of ensuring the best possible student experience, all programs and functional areas within Student Affairs are required on a six-year rotating basis, to complete a **Formal Program Review (FPR)** that is based on externally defined professional standards and includes reviewers who are external to the department. This process is coordinated by the Assistant Vice President for Student Affairs and can include a CAS Self-Study, a professional accreditation process, or a review process that is defined by an external professional consultant or nationally benchmarked survey. For more information, refer to the [Student Affairs Assessment Website](#). All CAS Standards can be found on the SA Shared Drive under the subfolder entitled Assessment Resources/Formal Program Review & CAS.
