

DYNAMIC LEARNING DIALOGUE

All information and participation
are kept strictly confidential.

What is a DLD? A CAFE staff member works with you, then facilitates a conversation among your students about the complete learning environment.

Why do a DLD? Gather rich qualitative data for focused reflections on their learning and your teaching; meet with CAFE to brainstorm improvements or enhancements to classroom interactions, student learning, and your teaching.

Who should a DLD? Almost anyone! Are you:

- a seasoned faculty member looking to tweak a course you've taught multiple times?
- teaching a new Civitae course and wanting to take the class temperature mid-semester?
- wondering about a quirky vibe you sense in a class?

DLD in-class dates: Sept. 23 – Oct. 4
