TURN IT IN WORKSHOPS!

The DEC will be offering Turn It In trainings via Zoom next week for faculty. The trainings will provide guidance for faculty in creating TII Canvas assignments, adding rubrics to TII assignments, accessing student submissions, and providing feedback/grading utilizing the TII grading features.

Training Dates/Times:

Tuesday, 1/9 10:00am

Thursday, 1/11 12:00pm

Friday, 1/12 2:00pm

There is no registration required for these trainings. Faculty can join a training session using the link below.

LOTI

Spring 2024 LOTI Registration is Now OPEN and will run February 5th to March 29th. The Longwood Online Technology Institute (LOTI) is a faculty development training that provides faculty with the skills and technical support necessary to develop quality hybrid or online courses. LOTI is for faculty members who:

- are new to the University OR
- have never had online/hybrid training OR
- have never had online/hybrid training and have been asked to teach an existing online/hybrid course OR
- have had previous LOTI training but wish to become online teaching certified through the Longwood training

The deadline to apply is January 26, 2024.

CANVAS NEW QUIZZES COMING SOON

Beginning in Summer 2024 instructors will have the ability to opt-in to New Quizzes on a class by class basis throughout Fall 2024. In Spring 2025, the official transition of New Quizzes will begin.

Migration roadmaps and transition toolkits, as well as training opportunities and workshops will be forthcoming later this Spring.

Lightboard Studio

The DEC is now accepting requests for instructional video projects for Spring 2024! Consider collaborating with the video specialists in the DEC to take the guesswork out of video production. Already considering the use of new instructional videos in your courses? Professional, timely, and impactful videos are only a click away!

[Email the DEC](#) to get started today or visit the [DEC's Video Services](#) site for more information.
