On April 29, 2020, members of the Faculty Awards Committee, having received and reviewed 46 nominations, recommended award winners for the M B Starke Faculty Excellence Sr., Raiford Teaching SENIOR, Raiford Teaching JUNIOR award, the Provost's Scholarship Award, JUNIOR Award of Excellence, and the Stuart Leadership & Service to the VPAA's office. The committee further recommended nominations for the SCHEV outstanding Faculty and Rising Star Awards.

The committee discussed changes to the FPPM language to discourage a 'shotgun' approach for the nomination of award candidates, but decided to take up this issue again in the year 20/21.
