All salaries are as of November 2025.

All salary figures for faculty are assumed to be 9/10 months and all stipends that are likely to be assigned to some faculty member every year are included.
 All salary figures for non faculty are assumed to be 12 month.

E&G stands for Educational and General.
 A/P stands for Administrative and Professional.
 Both are state classifications.
 Irregularities in number could be the result of faculty who are not in a listed college.
