

## EPC Report 12-4-15

### I. Action Items

#### A. Change to the definition of storage in the Curriculum Handbook:

##### **Storage or Deletion or Retrieval of a Course or Program**

If a department wishes to remove a course or program from the catalog, it may be sent to storage using the appropriate procedure for course or program change, or deleted permanently. ~~If a course or program is sent to storage, it may be restored to the catalog through a request by the department chair to the Registrar.~~ Courses and/or will remain in storage for seven years before being deleted permanently. **Programs will remain in storage for five years before being deleted permanently.** The ~~Provost/VPAA~~ Registrar will maintain a list of courses in storage. Once deleted permanently, all paperwork for a new course and/or program would need to be submitted and approved.

#### B. Changes to Environmental Studies minor : In order to reflect the recent creation of the Integrated Environmental Studies major, the name of the minor will be changed from Environmental Studies Minor to Integrated Environmental Studies Minor and significant changes will be made in which courses are required.

#### C. BIOL 490 – Directed or Independent Study – Change in credits from 1 – 8 to 1 – 12.

#### D. ENSC 490 – Directed or Independent Study – Change in credits from 1 – 8 to 1 – 12.
