

EPC_Report_10-9-14

I. Action Items

1. KINS 486 Exercise Testing and Prescription – change in credits from 4 to 5 to allow the course to include a case study approach.
2. Change in EPC policy – in the future proposals will not have to include the current catalog copy, instead they will only need to include the current catalog copy with the revisions (using **bold**, ~~strike through~~, and *italics*.)

II. Information Items

A. Course Changes

DSAM (Graphics and Animation Design) – Change all course prefixes to GAND

CRIM – Delete CRIM 220 and 300 from catalog

EDSL(School Library) – Submit all courses to storage – the programs that used these courses have been replaced by the M.S. in Education, Concentration in School Library Media and the Professional Endorsement in School Library Media. Both of these have been approved by SCHEV.

B. New Courses

DSAM – Create DSAM 295, 395, 495 Special Topics

KINS – New course, KINS 365 Specialized Exercise Science

C. Program Changes

CSDS – Change the admissions requirements to make the GRE a requirement for all students.

NURS – Change the GPA required to transfer into the program to match the GPA required to stay in the program.

DSAM – Program changes necessary to reflect the new GAND prefix.

KINS - Program change that adds KINS 365, Deletes HLTH 160 and KINS 375, and changes KINS 486
