

Library Advisory Committee Report (2015-2016)

15 April 2016

Committee Members: Suzy Szasz Palmer, Cynthia Crews, Frances Reeve, Terri Sabatos (Chair), Bob Cochran.

As its name suggests the Library Advisory Committee functions as an advisory committee for the Dean of the Library. We generally have 2 meetings per semester. At each meeting the Dean of the Library briefs the committee on the state of the library: reviewing budgets (materials, databases), staffing (open positions, position searches), projects that the Library is involved with across campus, events sponsored by the Friends of the Greenwood Library, and any other concerns/issues pertaining to the Library. This year we also revised the wording of the Library Advisory Committee Description in the FPPM, and discussed the Disruptive Behavior policy. Currently we are beginning the position search for the Dean of the Library as Suzy has announced her retirement. The Search committee consists of members of the LAC with Tammy Hines, Mary Leman, Sarah Reynolds and students Dustyn Hall and Ashlyn Fairlamb-Mason, with Dr Neff as covener.
