

Members of the Executive Committee will make a motion to adopt the following amendments to the Proposal - FPPM Changes to Section III.

1. Section H, 8, b is reverted to the original language. Changes that were made may have inadvertently created non-compliance with AAUP guidelines.
2. In the proposal, language in U. 6. C. was revised to replace “within and beyond the state and region” with “outside the institution.” For consistency, we amend the other sections that have the same wording: Sections V. 4. a, V. 4. b, and W. 1. C. will be changed to the “outside the institution” wording.
3. The non-discrimination statement in Section A is amended to be the same as Longwood’s non-discrimination statement: “Consistent with Federal and State law, the University promotes equal opportunity for all prospective and current students and employees. The University will not discriminate against any individual on the basis of race, sex, color, national origin, religion, sexual orientation, gender identity, age, political affiliation, veteran status, or disability status, except in relation to employment where a bona fide occupational qualification exists.”
