Welcome

Dear Lancer Family,

We are only a short few months away from move-in and the start of classes! We know that this is an exciting and sad time. Please know that the Office of Financial Aid is here to help you through the process.

Please make sure that you have completed the 2018-19 FAFSA in order for the student to get aid. If you have questions while filling it out, please don't hesitate to contact our office. We are open from 8:15am-5:00pm Monday through Friday.

After receiving your FAFSA, we will award you financial aid for the upcoming academic year. You will then need to log on to your myLongwood portal to accept the awards.

Upon completing acceptance, you will need to go on to studentloans.gov and complete loan requirements that pop up at the bottom of the page. You will then see your financial aid going toward your bill on July 13th, 2018 when bills go out. If you do not plan on using all or any financial aid, the bill is to be paid in full by August 13th, 2018.
