

LUCEE Counselor Application

The Longwood University Camp for Environmental Education (LUCEE) is held at Hull Springs, Montross, in partnership with Westmoreland County Public Schools (WCPS). The camp is a project-based learning endeavor lasting two weeks from 8 a.m.-12:30 p.m. Monday-Thursday, and designed for rising 4th-6th graders. Longwood counselors are paired with certified teachers from WCPS in leading the camp.

If you are interested in applying as a counselor, please fill out the following and return to Sherry Swinson, swinsonsd@longwood.edu by April 1, 2019.

Name: _____

E-mail: _____

Phone: _____

Academic year (please circle or check):

Freshman

Sophomore

Junior

Senior

Major: _____

Is there an environmental topic you are particularly interested in developing an "exploration program" (for example: water quality, nature identification, waste/recycling, wetlands)?

Emergency contact (please list full name, relationship, and phone number):

Please list any medical information below:

Allergies:

Medications taken:

Medical condition:

Dietary Restrictions:

Please answer “yes” or “no” and provide a brief explanation to the following:

1. Do you have any experience working with children?
2. Are you CPR or first aid certified?
3. The 2019 camp will run July 15-25 with a pre-camp meeting on the afternoon of July 14. Are you available for the full session, July 14-25?
4. Staying at Hull Springs for the weekend of July 19-21 is optional, will you plan to stay for the weekend or leave?
5. Hull Springs is located at 1347 Hull Springs Farm Road, Montross, nearly a 3-hour drive from Farmville. Would you prefer to drive separately or meet on the Longwood campus at 8 a.m. on Sunday, July 14 to carpool?
6. Please indicate tee shirt size for camp shirt: S M L XL
