

We will be holding Flu Shot Clinics for faculty, staff, spouses (no other dependents) and retirees!

To be eligible you must be enrolled in COVA Care, COVA HealthAware or the COVA High Deductible Health Plan. There will be no out-of-pocket cost to you.

Please schedule an appointment by clicking a link below. Once you schedule your appointment you will receive a confirmation email from SignUpGenius, if you do not receive an email your registration is not complete.

Once you schedule your appointment you will receive an email from Kim Witcher with a form you will need to complete, please bring the completed form and a copy of your insurance card to your appointment.

To schedule your appointment, click on the applicable link:

We will only be able to accept appointments, no walk-ins. If you are unable to attend, please remember you can still receive a flu shot by showing your COVA Care, COVA HealthAware or COVA HDHP plan ID card to a participating pharmacist or provider at no cost for you and covered family members. The University Health Center is also available to faculty, staff and spouses on a space available basis.
