"Where to Load for Fall Semester Move-out and Unload for Spring Semester Move-in"

THIS INFORMATION IS RELEVANT FOR STUDENTS WHO WILL DEPART CAMPUS DURING WINTER BREAK (DEC. 12-JAN. 9).

Johns Hall and Moss Hall (Use GPS Address: 515 S. Main Street Farmville, VA 23901)

From South Main Street, enter campus at Wynne Drive. Turn right onto Pine Street, and then turn onto the sidewalk in front of the Pierson Fitness Center. Vehicles may not be left unattended, blocking others. In order to maintain a safer ONE-WAY traffic flow, vehicles will not be permitted to enter Redford Street from South Main Street (at the McDonald's intersection). Instead, use Redford Street to only EXIT campus. The Moss loop will be CLOSED during the break period.

Lancer Park (Use GPS Address: 899 Clubhouse Circle Farmville, VA 23901)

From Third Street, enter the Lancer Park community at Cormier Drive.

Longwood Landings (Use GPS Address: 150 S. South Street Farmville, VA 23901)

From South Main Street, turn onto Putney Street. Enter the Longwood Landings community at South Street, (entrance adjacent to McDonald's).

Register Hall and Sharp Hall (Use GPS Address: 508 Vine Street Farmville, VA 23901)

From Griffin Blvd., enter campus at Vine Street or Redford Street. Use designated loading/unloading spaces on Race Street, in front of Register Hall and Sharp Hall or loading/unloading street areas on Redford Street.

A minimal quantity of loading/unloading spaces will also be available in the Reid Parking Lot, a commuter student lot.

Stubbs Hall (Use GPS Address: 306 Griffin Blvd Farmville, VA 23901)

From Griffin Blvd., enter campus at Redford Street or Madison Street to utilize the designated loading/unloading street spaces. A minimal quantity of loading/unloading spaces will also be available in the Cox Hall Parking Lot, a commuter student lot.

Cox Hall and Wheeler Hall

Cox and Wheeler residents may use the loading/unloading spaces in the **Jarman Parking Lot** (Use GPS Address: 500 Madison St. Farmville, VA 23901). To access into the Jarman Parking Lot, turn from Griffin Blvd., entering campus at **Madison Street** and continue to the end of the street, turning left into this lot.

Madison Street has a minimal quantity of designated loading/unloading street spaces.

The Wheeler Hall Parking Lot (Use GPS Address: 114 Griffin Blvd Farmville, VA 23901), located near the intersection of Griffin Blvd. and High Street, is accessed from Griffin Blvd. That faculty/staff lot will have a minimal quantity of loading/unloading spaces. A minimal quantity of loading/unloading spaces will also be available in the Cox Hall Parking Lot.

Expectations and Best Practices:

- Drivers should activate vehicle flashers when loading/unloading. **Vehicles may not be left unattended.**
- Do not park in private business parking lots. Towing is strictly enforced.
- Residential students should continue parking in their designated parking permit zone during/following university break periods.
- Remain vigilant and patient with other pedestrians and vehicles.
- Students are encouraged to bring their own dollies or handcarts to expedite the transferring of personal property.
- Do not illegally park on campus or attempt entry into restricted/barricaded areas.
- Stay weather alert and take necessary measures to ensure self-care.
- For a medical or other emergency situation, dial **911**.
- Please send questions to housing@longwood.edu or call (434)395-2080.
